

How to Cancel Subscription

Cancelling your subscription means that the automatic renewal will be disabled, but you will still have access to all your subscription features for the remaining time of then-current period. Note that deleting the app does not cancel your subscriptions.

If you purchased a subscription or enabled trial on App Store: You can cancel a trial or a subscription anytime by turning-off autorenewal through your Apple ID account settings. To avoid being charged, cancel the subscription in your Apple ID account settings at least 24 hours before the end of the trial or then-current subscription period. You alone can manage your subscriptions. Learn more about managing subscriptions (and how to cancel them) on [Apple support page](#).

If you purchased a subscription or enabled trial on Google Play: You can cancel a trial or a subscription anytime by turning off auto-renewal through your Google Play account settings. To avoid being charged, cancel the subscription in your account settings at least 24 hours before the end of the trial or then-current subscription period. You alone can manage your subscriptions.
